Small Group, Private and Tailor-made Tours

Small Group Departures:

We have regular small group departures on this tour throughout the year. Departure dates are given on our website, and on request.

Private Departures:

You can also choose to do the tour privately, following the itinerary below, but on another date.

We add a small supplement for these departures.

Tailor-made Tours:

Finally, this tour can also be used as a base for a private tailor-made itinerary, to be run on any dates. You can make adjustments as per your own requirements (for example, combining your diving with one of our other tours, visiting Luxor and the Nile Valley etc.).

Options:

On all of the above types of tour, we offer various different options, which can be added to the tour. These options are listed within the itinerary below, and then in detail at the end of this factsheet and on our website.

Detailed Itinerary

Cairo Pre-Tour Option

Day 1 Arrive in Sharm (Sunday for group departures)

You arrive at Sharm-el-Sheikh airport where we greet you and transfer you on the 1 ½ hour drive through the mountains to Dahab. Here, you check into your 2 star hotel, and our First48 rep welcomes you and lets you know the plan for the next few days.

The word Dahab in Arabic means gold and refers to the fine yellow sand that colours its beaches. The Bedouin village of Assalah lies along the shore of Ghazala Bay and is a collection of campsites, hotels, restaurants, shops and bars dotted with palm trees. It is here that you will experience the Bohemian feel that makes Dahab so special.

Overnight at 2 hotel in Dahab

Day 2 Introduction to Dive Centre

On your first morning, we'll introduce you to the Dive centre, where we'll brief you on the next few days. Your logbook and card will be checked, (minimum 20 dives) and depending on your experience and date of your last dive, you may be required to take a refresher dive, see:

'Documentation' below. You will also be required to produce evidence of your MFA or CPR course, unless you wish to take one on this course.

Overnight at hotel in Dahab (B)

Days 3 – 5 Rescue Diver course

The average duration of this course is 3 days. The course consists of 2 types of activities: classroom sessions and open water exercises/activities. Students will also be expected to do some out of class studying.

This course will provide you with a thorough grounding in current rescue and diving accident management procedures. A qualified Rescue Diver is a very competent, self-reliant diver who is also able to care for others in an emergency. The course itself is both enjoyable and rewarding.

Upon successful completion of this course, you will be able to complete the following: (N.B. the course will include – but is not limited to the following objectives) - demonstrate self-rescue; know how to recognise diver stress; be able to deal with emergency management and equipment considerations; be competent at both swimming and non-swimming assists; know how to deal with panicked diver response; be aware of potential underwater problems; know what to do regards missing diver procedures; know how to surface an unconscious diver; know how to implement in-water artificial respiration; have experienced dive accident scenarios; will understand first aid procedures for pressure related accidents, and have practised exits. The course is by necessity serious and relatively hard work, and is designed to be a comprehensive learning experience to help you reach your goal of extending your diving qualifications.

Overnight at hotel in Dahab (B)

Days 6 + 7 Dahab – Free Days

After the course, we give two completely free days to relax.

2 Extra Dives Option

If you want to do some extra dives, then we can arrange these, **within the restrictions of the 24 hour diving and flying rule.**

Some of the best dive sites in the area include:

A wall dive down to the Eel Gardens is a must for divers of all levels. Bottoming at fewer than 20m, there are few other sites that get you this close to Garden Eels in their natural habitat.

Dahab PADI Rescue Diver (8 days)

Small-group or Private Tour

The Lighthouse offers a variety of routes, for all levels, and is especially popular as a night dive. This dive can be combined with a drift dive from the Eel Gardens.

The Fish Bowl is an enclosed circular cavern filled with small goldfish. Access is via beautiful coral gardens and there are several entrance/exit points, starting at 12-15m.

The Islands is a collection of small islands that provide a maze of beautiful coral gardens. A max depth of approx 16m means plenty of sunlight and an unequalled diversity of marine life.

Drift dive along a coral wall at Rick's Reef and over the top of The Canyon. At only 20m (max) depth, this dive is suitable for all levels.

The experience of finning across the centre of the Blue Hole after a wall dive down to about 30m makes this site extremely popular. At over 50m wide and 100m deep, this deep pool also provides access to an archway (about 50m down) that exits into the deep blue sea. The Bells is a crack in the reef that exits at about 30m to reveal the bottomless ocean.

Accommodation

Our standard diving tours use good quality hotels (approx. 2 star) in which all rooms have air-conditioning and en-suite bathrooms. The hotel in Dahab has a swimming pool, and is located around 300m from the sea, and 400m from the Dive School.

Hotels used on this tour:
(subject to availability)

Dahab – La Reine or Yasmina Hotel (**)
Cairo – Zayed Hotel (**/***)

At certain times of the year or where circumstances dictate we may need to use different hotels from the ones listed above. In this event alternative hotels will always be of a similar standard.

Please see our website for more current details of the hotels that would be used on the tour.

www.first48.com

Transport

We provide a private transfer by air-conditioned car, minivan or minibus between Sharm-el-Sheikh airport and Dahab, and for any sightseeing tours in Cairo. The optional journey to and from Cairo is done using an air-conditioned public tourist coach.

Meals

We include breakfasts only in our diving tours in Egypt. This is because you will need to start relatively early, and we have found it more convenient for you to take breakfast in the hotel.

The opportunities for eating out for lunch and dinner in Dahab are extensive, cheap, and of good quality – most people find that the food here is one of the highlights of their stay.

Transfers

All our tours include a 24-hour meet & greet service in Sharm-el-Sheikh airport. The tour includes private airport arrival and departure transfers and all other transfers.

Our representative will meet you after you go through Passport Control in Sharm-el-Sheikh airport, and transfer you straight to your hotel (approx. 1 ½ hours)

If you are flying into Egypt, then our representative will meet you in the immigration hall, before you go through passport control. He/she will help you with your visas, and then take you straight to your hotel (about 30 mins)

Group Sizes & Tour Leaders/Guides

In order to provide the most personal service, and to make sure that you get as much out of our diving tours as possible, we like to keep our groups small. We therefore set the maximum number at 8 and the minimum at 2 people.

Our local reps in all the towns and cities en-route are also at your service.

Our policy at First48 is to use only local guides and tour leaders where possible and for more details on our reasons for this please visit the 'Tour Class' page on our website. There still aren't enough qualified Egyptian diving instructors to go around however, so when we do use Western instructors, these will have worked in Dahab for some time, and know the country and surrounding dive sites well.

Diving

When you are booking dive(s) and diving courses in advance, you should consider the possibility that you might not elect (for whatever reason) to use one or more of those dives. Dives are strictly non-transferable, and no refund would be issued if you did not use up all your dives. In the eventuality of a diving problem occurring whilst on one of our dive packages or courses, no refund will be issued.

More information on diving with us is available on the diving pages of our website.

www.first48.com

Documentation

You will be expected to produce evidence of Certification and proof of your last dive(s), **before commencing any dive(s) for any tour or course other than the Open Water course.**

Proof of previous dives will be expected in the form of a logbook, complete with stamps (from a Dive Centre). If you

cannot produce this evidence the Dive Centre will reserve the right to refuse your diving at their discretion. No refund would be issued in this event, so please be sure you have your logbook and card with you.

Extra Dives

We cannot guarantee that all of the options on approved diving courses (i.e. the adventure dives you do as part of your Advanced Open Water) will always be available. Changes will occur (subject to availability) and are entirely at the Dive Centre's (School's) discretion. Also, we cannot confirm where you will do any 'Extra Dives' that you book. The Dive Centre will endeavour to satisfy customers where possible, but it is entirely at the Dive Centre's (School's) discretion, and local diving conditions at the time.
